

28/07/2021Chapter: 2Socialism in Europe
and Russian Revolution

Q. Describe the features of Stalin's Collectivisation Programme.

ans) Stalin's collectivisation programme was introduced in 1920s, when there were shortage of grains. In this programme, lands were grouped from peasants to make form a larger farm, and new technology were introduced into their process of farming. This helped them to increase the production.
