Dear Doremon,
I love watching all your TV shows.

I like the way you help your friends with the help of your

gadgets. I also thank you for

guarding Nobita to be punctual

and to study all his homework.

Being a robot, you help the society
-y and teach the society with
5 great lessons.

Thank you so much for inspiring
10 all of us.

With love from,

15 Ishita.
