

2 Complete the following passage using the correct conjunctions.

One day, Xian got up early to go to a nearby forest to pluck some fruits and berries. While going to the forest, he picked up a big basket from Uncle's shop. ~~Just~~ when he reached the forest, the sun was shining brightly. There were pretty flowers. When he was playing, a fox slowly crept up to him. Xian saw the fox cubs. Whoosh! Sparks flew and the cubs appeared. Seeing the cute cubs, the

fox became very happy so ~~they~~ <sup>and</sup> started

licking them. The cubs too were happy

to find a mother. While the fox left with

the two cubs, Xian quickly picked up his

basket and started plucking the berries

and fruits. Soon his basket was full and

he returned home happily.
