Subject: Covid-19 protocol after lockdown.

Sir,

Through the columns of your widely circulated daily, I would like to draw the attention of concerned authorities towards the Covid-19 protocol after the lockdown.

After many days of lockdown in our country, the people are not wearing masks which is very harmful for the people of our country because if they will not wear mask, the corona virus will spread as much it can and they will be affected by this virus.

After enacting many rules and regulations for the citizens, like checking of wearing masks in the roads by the police, but the people are not following the strict ~~guidelines~~ guidelines and they are not able to understand that the cases of Corona ~~are~~ are increasing and they will be only affected by this ~~virus~~ virus, and it will destroy our country.

~~I request you to look at the importance~~

It will be good if you publish this in your newspaper so, the concerned authorities can know the importance of the matter. Hope, solutions to this problem will be found soon.

Thank you

Yours truly,
Jammijaya Babu
