

Where in the classroom does Wanda sit and why?

Ans) Wanda always sat on the seat next to the last seat, in the last row, in room thirteen. Because her feet were normally caked with dry mud and very dirty. To avoid being laughed at her by classmates, she always sits there.

2) Where does Wanda live? What kind of a place do you think it is?

Ans) Wanda lives at Boggins Heights. It appears that the place is far away from the school and there is a lot of dry mud in the area. This seems to suggest that it is a poor neighbourhood.

Q-3) When and why you do Peggy and Maddie notice Wanda's absence?

Ans) Peggy and Maddie noticed Wanda's absence after three days. When Wanda had made them late to school. They had waited for Wanda while

going to school, to have some fun with her, but she didn't come.

Q- What do you think "to have fun with her means"

Ans) To have fun with her means to teasing Wanda about her dress and about her shoes. Asking the same question everyday. Like "how many dresses do you have" or "how many pairs of shoes etc."
