

Homework

I have visited so many tourist places with my family. But my favourite place is Puri. Puri is a Coastal City. It is one of the most sacred pilgrimage sites for Hindus. It is also known as Jagannath Dham. Puri is believed to be the final resting place of Lord Vishnu. It is one of the Original Char Dham pilgrimage sites for Hindus. Puri is a large depository of art and architecture of India. Puri temple was constructed in the 11th Century. It is also famous for Rathayatra. The clean Golden Beach of Puri is another tourist attraction being ideal for surfing.
