

* What does the constitution say with regard to equality? why do you think it is important for all people to be equal?

our constitution provides that nobody can't discriminate anyone on the basis of religion, race, caste, gender or education. It is important for all people to be equal because only then our society would develop in true sense of the term. It is ~~right~~ a ~~right~~ right to be treated equally for their respect and to give equal opportunities. In absence of all these, our life would be hell and this can also affect in the development of our society and country.

2)a. A friend being ~~to~~ ~~tease~~ teased by a boy because he is poor.

I would try to convince that boy that being poor is not a crime nor a matter of laughter. Hence he ~~seem~~ should not tease my friend. Instead he should take care of his self respect.

b You are watching Tv with your family and one of them makes a prejudicial comment about a community.

I would stop him/her to do that.
