3. Read the following passage carefully :

The orator understood me very well. He descended from the stage, and *commanded*¹ that several ladders should be put against my side. A hundred of the people climbed up the ladders and walked towards my mouth with baskets full of meat, sent by the Emperor. There were the shoulders and legs of several animals but they were smaller than the wings of a small bird. I ate them two or three at a mouthful, and took three loaves of bread at a time. They supplied me as quickly as they could, showing a thousand marks of wonder and astonishment at my size and *appetite*². I then made another sign that I wanted a drink. They had found by my eating that a small quantity would not be enough for me. So, they drew up one of their largest casks and rolled it towards my hand. I opened the top and drank off the small quantity of wine it contained. It was delicious. They brought me a second cask, which I drank in the same manner, and made signs for more but they had none to give me. When I had *performed*³ these wonders, they shouted for joy, and danced upon my body, repeating several times as they did at first, *Hekinah degul*.
