=> Later, he tries to jump & hang himself over the top of the bicycle - Then it faces another issue. I.e. it keeps on riding nevertheless, it can't stop now. Another problem is how it would steer the bicycle. changes are it might flop.

=> In the meantime, there is another eel who was also the neighbour of the first eel. It was observing this humorous affair & suggested a brilliant idea. It proposed that both of them will ~~back~~ ^{back} their waists with a bott green belt & strap it ~~at~~ family.

Siddhanta & The Po

Summary → The poem describes the yearning of an old man to ride a bicycle. He is resolved to ride on a wheel. Despite his efforts, the old man faces problems to ride the bicycle.

Ch-4 Q/A

Net Going - A

The ~~eel~~ was determined to ride on a wheel, but he couldn't it because when he got on the saddle to ride, his tail could only pedal one side.

His neighbour, who was also an ~~eel~~, said that they could wrap a belt around their waists & baste it with a strap. In this manner each eel could pedal one side of the ~~bicycle~~ bicycle.

eel-wheel, might-right, fun-done, side-side.

Let vs head between the line

→ That two heads are better than one means that when two people work together to solve a problem, they are more likely to find a solution than when one person works alone.

② His neighbour, observing the fun said, I think that the thing can be done. In these lines, the fun refers to the neighbour's observation of the ambitious young girl balancing over while attempting to ride the bicycle.
