Television is a popular medium of enjoyment. It provides entertainment for the whole family. We can enjoy a cinema, cricket match, news, serials etc. ~~But~~ TV was first invented by J. L. Baird of Scotland in 1944. But when we watch TV about 2,3 hrs it harms our eyes. The usefulness of TV certainly much more than audio. The government of India is trying to provide and popularise TV facilities all over the India. People should cooperate with the Gov. to make the best use of this offer. TV is a now ~~very good~~ very popular.
