School Name - ODM Public School

Subject: Arrangement of extra classes

Sir,

I am a student of (your class) and the reason why i am writting this application is that our courses Maths and are not covered and the exams are in the next 12 weeks

As there were other activities going in school and they were held during these 2 specific courses

I request you to arrange extra classes for the respective courses so that we can complete the courses before exams.

Your Respective Student
