

SHORT NOTE ON MCAVATY

- * Macavity is a fictional mystery cat who is very tall and thin ginger cat. He is a very notorious criminal and very devilish. He openly breaks and the human laws. He is known as Hidden Law. He is a criminal, sly, trickster and leaves no sign after committing crime. He is faster than the flying squads. He also outwits any world investigator agencies including Scotland yard. He is easily recognizable you can see him by the street or the square but after crime is committed He is not there. He has power of levitation and fly without any support and would make a Bahir stare and also breaks laws of gravity, thus Macavity is a cat with demon soul.
