

SHORT NOTE ON MOCAVATY

*

Mocavity is a fictional mystery cat who is very tall and thin ginger cat. He is a very notorious criminal and very devilish. He openly breaks and the human laws. He is known as Hidden Law. He is a criminal, sly, trickster and leaves no sign after committing crime. He is faster than the flying squad. He also outwits many world investigation agencies including Scotland yard. He is easily recognizable you can see him by the street or the square. But, after crime is committed He is not there. He has power of levitation and fly without any effort and would make a fair store and also breaks laws of gravity, thus Mocavity is a cat with demon soul.
