~~The~~ ~~State~~ The Station

- 1) After eating good dinner shankar went to the station office lit a lamp and decided to sleep there. He was writing his diary. He station office had a glass paneled door which was closed not Bolted. A sudden sound make him look to the door. He saw a huge lion with his muzzle against the glass. shankar froze in his ~~chair~~ chair. A Gentle Push would open the door and he was warm with only a wooden ruler on table. The lion stood there silently looking at shankar and the lamp with a curious expression. and went away.
