

⑤ Why did Einstein write a letter to Franklin Roosevelt?
He emigrated to the USA. It was the fact that the Nazis had the ability to develop the atomic bomb. It could destroy the whole world. So he wrote warning Franklin D. Roosevelt in his letter.

④ What did Einstein call his desk drawer at the patent office? Why?
"Bureau of Theoretical Physics" was the name called by Einstein for his desk drawer. Because there he actually developed his own ideas in secret. His drawer had all the evidences which could reveal the secret.

⑥ How did Einstein react to the bombing of Hiroshima and Nagasaki?
He was deeply shaken by the extent of the destruction and wrote a public message to the USA.

7) Why does the world remember Einstein as a 'world citizen'?
Because he believed in universal peace. He warned for the destruction for that bomb. He was really a world citizen.
