① Who were called as the "November Criminals" & Why were they targeted?

The people who supported socialists, Catholics and democrats were called as November Criminals. Because they were easy to target for attack in the conservative nationalist circles.

② Explain the impact of the First World War on European Society and polity.

→ Soldiers were ranked higher than civilians in the society

→ 1<sup>st</sup> World War, both psychologically and financially affected Europe. Europe became a continent of debtors from creditors.

→ The Weimar Republic carried the burden of war guilt & national humiliation. It was forced to pay a huge compensation.
