Paragraph On 'Autumn season'

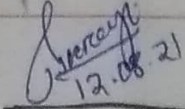

Autumn is one of the four seasons.

This season is pretty much. It starts right after summer and that's why you will feel enough hot at the beginning of the season. And then you will feel lots of coldness of winter season because right after autumn, winter gets a start. Another interesting thing is pond full of lotus. I really

like that flower. This season is also known as fruit gather season. Because people gather fruit in this season. Crops like Cabbage, Lettices, and Miluma, etc are the most common crops people harvest in the time of autumn. In this time leaves start to become red, yellow, orange, and brown. I really love the autumn season a lot.
