

Get Going - 1

A) Match the plans that dad hatched
with the fate they met.

A) Plan A → fell in the flower bed

Plan B → branch broke, fell on his back

Plan C → landed on the cat and got
stuck on the tree.

2) How did dad try to save the cat the first time?

As dad tried to save the cat the first time by using a ladder to reach it.

3) What was Plan B?

As Plan B was to swing himself up on a branch and reach the cat. However, the branch from which he was trying to swing broke and he landed back on the deck.

4) Describe Plan C. Why did it fail?

As Plan C was to climb the garden wall and jump onto the crook of the tree trunk where the cat was stuck. He executed the plan successfully landed in the exact spot. In fact he landed right on the cat. The cat ~~jumped~~ yelped and jumped off the tree. Dad, however fit snug in the crook and got stuck there.

5) Find an idiom from the poem that means 'extremely delighted'.

As An idiom is a word or phrase which means something different from its literal meaning. Idioms are common phrases or terms whose meaning is changed, but can be understood.

by their popular use. Please as punch is an idiom used in the poem that means 'extremely delighted'.

B) Let us read between the lines.

1) What kind of a person do you think Dad was? Substantiate your answer with lines from the poem.

Ans I think Dad was an overconfident person because every time Mum warned him against doing something he boldly answered back using phrases like ~~the~~ 'child's play this is!' and 'Easy as winking'. At the same time Dad is persistent because every time he fails he makes a different plan and tries to execute it.

2) What was Mum's role in this narrative? Did Dad heed her advice?

Ans Mum repeatedly tried to warn Dad of the possible dangers of climbing the tree but Dad did not pay any heed to it.

1) Let us go beyond the poem.

1) Which of the three plans do you think was the best? Why?

Ans: That's plan-c seems to be the best as he was almost able to execute the plan successfully. It couldn't be carried though because he landed directly on the cat which made the cat yelp and jump off the tree.

2) What would you do if you had to help the cat?

Ans: I would have probably arranged for a ladder to reach the branch where the cat was stuck.
