Subject : describing about art gallery in Amritsar

Dear Arush

How are you? I hope you are well and good. In this email I am writing about the art gallery to which I have visited yesterday.

The art gallery was organised in Amritsar. The gallery was full of different kinds of arts and paintings. All the people come from different places to see the paintings. I am

thinking I am thinking to go there again to see with you. What do you think about it?

Your friend

Vimal Chaurasia
