

H.W

22.12.21

Wednesday

Write three lines on 'What freedom means to me' in the notepad.

- 1) I think freedom means living life in our own way without having restrictions.
- 2) We should be allowed to live normal life without facing any restriction.
- 3) We should have freedom to express our ideas freely i.e. freedom of speech.
- 4) We should have freedom to eat what we like and wear our favourite costumes.
