5. The Revolt of 1857 was the first war of independence fought by the Indians. T

Questions United we stand, divided we fall?

Ans- British ruled over India for a long period of time after taking advantage of infighting between the rulers of India. After 1857 revolt, people of India became united and fought with British. This uprising became unbearable for the British and compelled them to leave India completely in 1947.

The statement 'united we stand, divided we fall' is exactly what India faced before and during its struggle for freedom.
