2. Hamid shows maturity by using his wit to make an appropriate retort for each question from his friends & showing that his tongue is better than toys. eg. the toys were of 15, 13, 12 or 10 pice while hamid's tongue was only 6 pice which reduced to 3 pices & the toys would break easily but the tongue wouldn't break so easily

2. Getting onto the roof of the new house
3. Breaking a lot of furniture medicine bottles & ~~the~~ dropping medicine while moving the medicine cupboard
