1.) Kezia was afraid of her father because he was strict and seldom her roomer he didn't play with her and wasn't so close with him.

2.) Grandmother, father, mother were members of Kezia's family.

3.) (i) He used to come to her room, gave her a casual kiss and in the carriage he used to go away.

(ii) After coming back from his office?

by he used to have tea, read newspaper Kezia would remove his shoes and sometimes stretch of sofa.

(iii) on Sunday, he used to take

rest on sofa, and after a while he would sleep I snore.

- 4.) Grandmother used to encourage her to have a nice talk with father and mother. She even convinced her to make her father's good gift for his birthday.

- 1.) Heria's grandmother convinced her to give her father a nice present on his birthday she suggested to make a pin cushion for a gift out of beautiful piece of yellow silk. She laboriously with double cotton, stitched 3 sides she filled it with many sheets of grey paper which she discovered on her mother's bed room's side table after filling ~~up~~ it she sewed up the fourth side.

But it turned out that these sheets of papers was father's great speech for the post Authority. Her father was appalled and angry and he struck her hand with rollers to give her a lesson not to take anything that doesn't belong to you.

2.) In Rezie's opinion, her father was very harsh. He did not talk to her affectionately but rather he used to speak to her stringently so she avoided him. She did not want to be in front of him because she was afraid of him. Moreover, her father never spent time with her. Macdonald family lived next door to her house. One evening she saw him playing tag with his children. A baby was on his shoulder and two little girls were laughing. Also, she saw some boys turn the

house on Macdonald, and he tried to catch them laughing all the time. She found them feel friendly with their father. So she wished if her father was like him.

3) One night, Kezia had a nightmare which made her too terrified. She was crying out of fear. When she woke up, she found her father beside her bed with a candle in his hand. He asked her what the matter was. When he came to know about her nightmare, he blew out the candle, bent down and caught up the child in his arms. He carried her to the big bed-room. He made her easy down on the bed and pulled the covers up around her bed and pulled the covers up around her.

Apart from this he too lays
down beside her and now
she felt comfortable. When
Resig realised that her
father was not as harsh as
she thought she realised
that her father had to work
all day long and got so
tired that he could not
play with her she realised
that her father wanted her to
understand his compulsion.
At bottom, he was a very
good person.
