## Writing Junction

My favourite author is Enid Blyton. She was born on 11 August 1897 in London. She has two siblings. She was an English children writer. She died on 28 November 1968 in London.

I love her stories. They are fun and easy to understand. Her books have been among the world's bestsellers since 1930. More than 600 million copies of her books sold worldwide. Blyton wrote on a wide range of topics. Her books are widely famous because of her simple writing style and lively characters. Blyton's books have been translated into 90 languages. She is best known for her many series of adventure stories and novels featuring young children as many characters, especially "The Famous Five", "The Secret Seven", "Noddy" and "The Naughtiest girl".
