Subject - Wishing you Happy teachers day

Dear Madam,

I was absent yesterday so I wasn't able to wish you Happy teachers day on that day. You set a warm and happy environment in the classroom. Whenever we do any mistake you guide us. You teach us manners and show us the right path towards success. You are very kind and loving person. You have unique style of teaching through presentations and the concepts get very much clear. Above all "Happy teachers day".

Your loving student
Pallavi Nayak
