Write some few lines on any tribe from India into notebook.

"MUNDA"

The Munda are a tribe belonging to the Chotanagpur plateau, spread across Jharkhand, Chhattisgarh, Madhya Pradesh, Odisha, Tripura and West Bengal. A Munda is defined by his/her surname, which is based on natural elements such as trees, animals and birds.

Mundas are fond of dance and music; their songs evoke nature in all its glory. Nupur (an anklet) is a special dance form involving wearing Nupur in ankles and dance in chorus. They observe many festivals, the most important being the Magha or Ba, a thanks-giving festival celebrated in spring. Since ancient times, the Munda have been wanderers and hunters; More recently they have become cultivators. Buried ancestors are treated as guardians spirits of the 'khunt' or the genealogical family, symbolized by sasandiri, the burial stone.
