HOMEWORK

Write five lines on the topic, "A world without oil" in the notebook.

Ans- Without oil everything will be hard for us. Like :-

- There will be no transport. As a result the prices of the goods will be high.
- No petroleum based products like paint, glasses, utensils, phones, pens etc.
- There will be no fuel for cooking.
- Factories and industries will be closed.
- We cannot wear clothes made out of nylon.
