

22.9.2022

Write the five lines on the topic of "a world without oil".

1. There would have been no transportation without oil.
2. There would have been no lighting of lamps at night without oil.
3. There would have been no cooking of food without oil.
4. There would have been a lack of economy without oil.
5. There would have been no generators working without oil.
