

Eskimos

Eskimos are ^{the} main inhabitants of Greenland. They are also known as ~~inuits~~ inuits. They live by hunting and fishing. They use a temporary house called igloo for 1 to 2 weeks and they ^{again} move to a new place. They wear a fur lined jacket called parkas. They ~~of~~ ^{foot} wear boots made of seal skin. They use a small narrow boat called kayak for fishing. Now a days, their lifestyle is changing. They live in wooden and permanent houses. Now they use motorised sledges such as cars, jeeps etc. for transport. ~~They~~ ^{Now} they eat cooked food. They use boat and motorboats for fishing. ~~Later~~ Earlier they use harpoons for hunting, but now, they use guns.
