

What are the various forms of caste in politics? Or caste system is very much inherent in politics. Justify.

Selection of candidates in politics: - When parties choose candidates in elections, they keep in mind the caste composition of the electorate and nominate candidates from different electorate and nominate candidates from different castes so as to muster necessary support to win elections.

Political parties as the representatives of the caste: -
~~Political parties are~~ Political parties and candidates in elections make appeals to caste sentiment to muster support.

Caste influences the Universal Adult Franchise
All people above age 18 can vote and each vote has 1 value.

Various caste groups are required to enter in to a coalition ~~are~~ with other castes and enter into negotiation.

Thus the focus in politics can some times give an impression that elections are all about caste and nothing else.
