Q. The tiger is a national animal but it is endangered so what is done to protect them. Write a article on your findings.

Ans. Human activities such as poaching and habitat destruction, are the main reason why some species of tigers have declined for many years. Hunting and human population growth are the main threats to Bengal tigers. Over the last century tiger habitat has fallen by around 95% and there are fewer than 4,000 tigers alive in the world. To put an end to the illegal

poaching of wild tigers, we need to ~~reduce~~ work towards reducing demand for tiger skins, bones, part and derivatives. Charities like forever lion, born free forest and save africa's giants are helping tigers. 'Save Tigers Now' by World Wildlife Fund and Leonardo DiCaprio to build political, financial and public support to double the number of tiger in the wild by in 2022.
