Write a diary entry describing your favourite part of the day.

Ans) Bhubaneswar, 9 Oct '21

Time = 7:00 AM

Dear diary,

you know, I love to share everything with you about my favourites, happy moments and also sad moments, etc. Today I am going to say another favourite thing is my favourite part of the day. It is ~~some~~ a time that every student should like it. It is studying time. In the evenings, I study which I love the most. Now, exams are also there and I need to study hard to ~~score~~ score good marks. I do self-study which is very helpful to every one.

Remember, Hardwork beats talent when talent doesn't work hard.

Thank you
Pranjali
