Diary Entry

Write a diary entry describing how you enjoyed a rainy day.

Saturday, 10th July, 2021
7:00pm

Bhubaneswar
Yesterday when my classes were over, I went to the balcony and saw that it was raining heavily. It was raining so heavily that the rain water came into my balcony. As I love rain I rushed to my garden to play with paper boats. My mother made some fried chips and those fried were very delicious. I enjoyed very much and I will never forget this day.
