Dear sister,

I hope this letter finds you in the best of health. While coming our house from our village, I saw your gift near the door.

I was very excited to open the gift box, and when I opened the gift box, I saw that there is a dress for me in the box and it is very beautiful and I liked that very much. I know that you have gave this gift to me <sup>on my birthday</sup> because you have not come to our house ~~because~~ due to some issues. But giving this gift to me have just made me the luckiest person in the world.

Thank you so much, I'm very lucky to have a sister like you in my life.

Yours Lovingly,  
Pranjan Dash
