Dear Subham,

It's been a while since I've heard from you. Where have you been? I hope this letter finds you in the best of your health.

Well the reason for writing this letter is that I have found a new book it is called "Your book's name" and I read it. Well it is pretty amazing book. When the first time I bought the book.

I thought it will be the same old story. But after reading first two pages I couldn't stop reading it so you see that it is a very good book.

Here I am ending and I will ~~not~~ tell you whole story about the book when you will come in my

house and you can also tell what you did over  
this weekend. Regards to your parents and lots of  
love to you.

Yours lovingly,  
Prateek
