Sub: Importance of Covid-19 protocols after lockdown

Sir,

Though the columns of your reputed newspaper, I wish to draw your attention towards the importance of Covid-19 protocols after lockdown. This Covid-19 pandemic had a great impact on everyone. Our Govt. had taken many helpful steps to make this virus come in

control. Some of the steps taken have ~~been~~ ^{seemed} unhelpful for less cooperation of the citizens. While this lockdown and shutdown had ^a successful impact as the death rate had decreased and soon the Act of ^{free} vaccination took place for the peoples above the age of 18 year. Though some rumours spread that this vaccine is not working and people are getting fever from this, but the doctors managed to prove us that it is normal and good to get fever and the Govt. also cooperated with us.

This vaccination had a beneficial effect on ^{many of} everyone. And now, the colleges have started offline classes at the behest of the govt. following all the Covid-19 guidelines. Soon it is planning to reopen the schools keeping an eye on the parents review. Future, I hope you will pay attention to my review on the Covid-19 ongoing protocols and publish it in your news paper.

Thanking you
Yours Sincerely
Shiela Sheety
