Head Quarters, Balangir.

13 May 2021

The Superintendent of Police
Balangir.

Sir

Subject: Malpractices by Auto-drivers

I want to you to kindly pay attention on the malpractices of auto rikshaw drivers plying in the town. They are overloading the vehicle which is very common these days. The school auto-rikshaw drivers are the worst of offenders because they overload their auto with students, they don't take necessary safety measures and drive rashly with children sitting without an elder with them to take care of their safety during the drive.
