Dear Papa and Mama, I hope
my letter finds you at your
fit and fine condition.

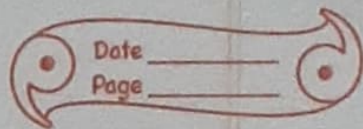

As you know since yesterday

I am with my friends and teachers at
Deomali Mountain for camping.

I have enjoyed a lot here with

them. We had almost overnight the

half of the mountain are trees
 now we are resting from today with
 aibonfio e. I have seen many wild
 type of small animals and insects
 many wild and beautiful flowers
 were there which I had never
 seen. At night I had counted
 the stars in sky which are there
 were looking so beautiful. I
 learned about the stars
 constellations like Leo, Ursa
 Major and Orion. I had also
 joined the stars to see it. we

had played many physical
games + and I really love it.
I hope you find out how I
am enjoying here and take
care of yourself.

I love you

Prince
