Para Paragraph on my mother

My mother is the most important person in my life. She has a very hardworking nature. She is beautiful and kind. She rises before everyone and goes to bed after everyone does. She works hard for my family and takes care of everyone. I like the delicious food she makes for us every day. She also helps me in doing homework. In the morning after she cooks food, she also makes me ready for school. She is the one who taught me all the moral lessons and values. Whenever I'm wrong in doing anything, she teaches me how to do it right in a calm way. She also tells me stories at night and I like listening to new stories from her every day. I share all my feelings and emotions with my mother. It is the mother in everyone's life who can never be replaced ~~from~~ from our heart. I hope my mother lives very long.
