Dear Diary,

It was a very surprising and an amazing experience for me today. Although ~~there~~ I cannot stop wanting enough about rainy season. But today was a whole different experience. At the ~~begin~~ beginning of the day I was in a really bad mood as it rained ~~very~~ raining very heavily. My online classes had to be called off as there was also a thunderstorm going on. ~~That~~ I ~~enjoy~~ enjoyed that day with some really delicious snacks and we also had some ~~snacks~~ and tea in the evening. It was really a very ~~beauti~~ beautiful amazing.

day as my whole family sat  
down ~~at~~ ~~an~~ and had lunch together

and my grandmother told us  
many stories about my ~~own~~  
~~family's~~ father's childhood.

It was very pleasant experience  
for some one who has a  
lot a has been the rainy  
season / day.
