HOME WORK

A dolphin lives in water whereas a monkey lives on land. Yet they are similar to each other in at least one respect. What is it?

Ans Dolphins lives in water whereas a mokey lives on ~~to~~ land. Yet they are similar to each other in at least one respect, That all the fishes are oviparous animal but the whale and Dolphin. And Dolphin is a ~~mamal~~ mammal. So this is similar that the mokey and dolphin are mammals.
