Write five lines on the topic, "A world without oil"

Ans. If the oil is not there some of food that fry with oil we used to eat it raw.

The country that produces oil and became a ~~bit~~ rich but when the oil is not there they can't become rich.

If the oil is not there the cars & bike are not made that they will run with fuel. ~~They can~~ ~~made~~ using electricity

^{is not present}
If oil is not present so the country don't needed to build big big machine for ~~not~~ taking out oil from the underground.

In the industrial sector, they uses ~~problem~~ as raw material to make products like plastic. It is not possible without oil.
