Character Sketch of Narrator (100 words)

The Narrator is so friendly to everyone. ~~So~~ The narrator in this story was asked to show classes and around the school. First the narrator hesitated, ^{the new girl.} but later due to a kind and good behaviour of new girl she became a new good friend. They share everything by writing letters. The physical differences between both did not stop to make a good relation of friendship and a kind of one with the helping nature of new girl won the ~~narrator~~ ~~the~~ writer's heart. The narrator always understand her friend who always face problem and curious face her prosthetic hand. ^{When} The narrator touches the new hand of the new corner which seems cold. It seems like magic which she uses to grip and move. She also asks her to shake her new hand with her. She aspires that the new girl will be able to lift the objects with her new hand. The ~~narrator~~ ~~narrator~~ narrator also mentions in the story that she is no ~~more~~

no more inquisitive about her new hand
and she has mentioned her new friend in
all her letters that she writes to her
about her feelings.
