Home Assignment

Q) Write a short description on the 'village lad'.

Ans- The village lad whose name is 'Roger' one day at eleven o'clock at night. He wanted to snatch a woman's purse who is Luella Bates Washington Jones who is walking to the work at the late night but her purse is very heavy. When the woman saw him she give him a kick right in his blue-jeaned siller (back-side). The woman saw that his face was dirty and his hair was ~~uncombed~~ uncombed. She asked that if anyone looking after him. She said no then she drags him and saying that come with, she tolds i will teach you from wrong to right, and also how to wash the face. After saying when she finished with him, he will do never forget to met here.
