Dear Ashok,

Thanks for your letter. It was great to hear from you. It's been a long time. Sorry, I haven't been in touch for so long. I have a new dog and I think that this is the best pet because dogs are loyal, faithful and reliable friends. We can play with him, talk to him and they will look at you as if they understand everything. He is waiting for you when you will come to home and play with him. Dogs are the best friends of us as they can understand us and sometimes they also help in some

critical situation without caring about
their own life.

That's all for now. Hope to hear from
soon

Best wishes
Ranjeta
