## Home Assignment

1) Define the term Constitution?

A constitution is a set of rules and laws and principles according to which a country is governed.

The rules and laws are specially created to suit the needs of the people of that country.

2) What are the three organs of government?  
The three organs of government are:

→ Legislature

→ Executive

→ Judiciary.

3) What do you mean by dissent?

Dissent means to withhold assent or approval.

4) What do you mean by rule of law?

Violation of laws were made punishable and no one was above the law. If any one breaks the law he or she would be liable to be punished irrespective to caste, class, creed or gender.
