Write five lines on the topic, "A world without oil".

- 1) Without oil, cars may become a relic of the past.
- 2) Oil is used to make petroleum products, to heat buildings, and to produce electricity.
- 3) Streets may turn into public community centers and green spaces filled with pedestrians.
- 4) Bike use might increase as more people ride to school or work.
- 5) The Earth will begin to heal from over a century of human-caused climate change.
