Ivory works

Applique work

Handicraft Of Rajasthan

1. Sculpture Art in Rajasthan:

It started from Maurya period. Different areas in Rajasthan are famous for different colour stones. There is a place called Makrana which is famous for spottles white marble, famous in all over the world.

2. Ivory works:

It is also a significant handicraft of Rajasthan. Items include jewellery, lamps, artistic decorations, idols of Gods and Goddess, broches etc. For this art Udaipur is most famous.

3. Aplique work:

In this art different pieces of clothes are fixed together. The interesting colour, shapes and pattern combinations against contrast background catch the eye
