Ooty:

1. During summer vacation I have gone Ooty along with my family in the year 2018.
2. Ooty, the headquarters of The Nilgiris district is one of the famous hill station in Tamil Nadu.
3. Ooty is most famous for its tea plantations.
4. We have visited tea garden with toy train, and I wear tea garden dress and take picture of that. It's climate is too cold but we have enjoyed a lot with natural scenery. We have visited chocolate factory, tea factory and clove oil factory. Also we have purchased varieties of teas, tea leaves, chocolates, clove oil and many more. The most attractive and adventurous place was Dolphin Point. There it seems sky and clouds touches our body. Also so many naughty monkey are there. We have felt like this place is heaven on earth. I have also gone for boating along with my parents. We have lot of fun and memorable moment during our trip to Ooty.
