1) Where in the classroom does Wanda sit and why?

Ans → Wanda sits in the seat next to the last seat in the last row in Room Thirteen. She sits there because her feet are normally caked with dry mud and that corner of the classroom is usually dirty with mud.

2) Where does Wanda live? What kind of a place do you think it is?

Ans → Wanda lived at Boggins Heights. It seems that it was a place far away from the school and also, where there was a lot of dry mud, thereby indicating that it was not a very rich locality.

3) When and why do Peggy and Madd notice Wanda's absence?

Ans-3 Wanda had not come to school on Monday and Tuesday but no one noticed her absence because she did not have friends in the class. When Peggy and Maddie waited for Wanda to make fun of her after school was off they noticed that she was absent, but only because they wanted to 'have fun with her'

4) What do you think to have fun with her means?

Ans- To have fun with her means to laugh at her as it is human tendency to make fun of others imperfections which are mostly about the appearance.
